Affina® Recliners

Providing an intuitive solution for patient care, Affina recliners support user needs and functionality through various styles, features, and attachments.

Key Features

A Sophisticated Design

Each recliner is designed to provide a supportive experience with a sophisticated aesthetic.

B Reclining Comfort

Recliner: 3-position recline (70°/60°/30°)
Recliner I.5 and Recliner II: Infinite back tilt recline and independent ottoman engagement
Optional on All: Trendelenburg recline
**Exception: Bariatric Recliner II*

C Locking Casters

Recliner: Individual manual-locking 3" rear casters, front non-locking casters
Recliner I.5: Individual manual-locking 3" casters (all)
Recliner II: Simultaneous central-locking 5" casters (all), compression-locking casters on retractable footrest

D Optional Arm Caps

Available as wood, black poly, or solid surface.

E Optional Tablet Arms

Available as top and side articulating in laminate or veneer. Side articulating tablet arms available on right side only for recliner I.5 and II.

F Soft-Touch Handles

Recliner: Available with angled soft-touch handles
Recliner I.5 and II: Available with vertical soft-touch handles

G Powered Components

Heat and massage available on Recliner I.5 and II. USB power available when heat and massage are specified.

H Back Styles

Choose from two distinct back styles: high-back and wingback.

I Bariatric Support

Recliner II offers models with expanded dimensions and 600-pound weight capacity for inclusive comfort.

J Additional Attachments

Optional I.V. pole, catheter hook, and magazine pouch attachments available on all recliners.

K Material Selection

Choose from Pallas Textiles, KI ingrade, or COM upholstery options. Specify as matching or contrasting fabric with the option to add moisture barrier. Optional Seam SaverTM protection on recliner 1.5 and II. Various wood finish options are available for the wood arm caps.

L Cleanability

Convenient push-thru design ensures debris does not get trapped between the seat and base.
