Calida™ Lounge Chairs

Calida offers residential warmth and international style, adding a social vibe and a touch of elegance to meeting rooms, private offices, lounges and cafes.

A Sculpted Comfort

Gently sloped arms and soft, flowing forms with integrated cushioning create refined comfort with global design influence.

B Smart Proportions

Elevated comfort in a compact footprint, ideal for guest and lounge spaces where space is limited but design still matters.

C Sensible Arm Design

Arm heights are thoughtfully designed to accommodate standard-height work surfaces for everyday usability.

D Back Height Options

Offered in mid-back and high-back models to support varying comfort preferences and applications.

E Base Options

Available with four base styles—wood leg, aluminum swivel, aluminum caster, or steel sled. High-back models are offered with wood leg or aluminum swivel bases only.

F Flexible Finishes

Supports Pallas Textiles, KI Ingrade, or COM upholstery. Wood bases are available in KI standard stains; sled bases in KI standard paints; swivel and caster bases in black, polished aluminum, or cottonwood.
