Cogni® 4-Leg Stool

Cogni 4-leg stools combine a contoured flexible back, an engaging sensory surface, an optional upholstered seat, and ergonomic support to encourage comfort, mobility, and focus in elevated, collaborative spaces.

Key Features

A Sensory Surface

Patent-pending sensory surface on the chair shroud promotes tactile engagement for diverse learners.

B Ergonomic Comfort

Adaptive seat design and comfort ledge accommodate various postures and positions with 11 degrees of articulation for comfort.

C Elevated Aesthetic

Organic shape provides a refined look with modern color palette featuring bold and neutral tones allowing choice in any learning space.

D Material Options

Available as all poly or with an upholstered seat. Specify shell and seat shroud as matching or contrasting. For the upholstered seat, choose from Pallas Textiles, KI ingrade, or COM textile options.
