Cogni® Task Chair

With a five-star base, dual-surface casters, and ergonomic design, Cogni task chairs support sustained focus, smooth mobility, and all-day comfort for users.

Key Features

A Simple Function

Seat height adjusts pneumatically from 17–21.75" with single lever.

B Ergonomic Comfort

Adaptive seat design and comfort ledge accommodate various postures and positions with 11 degrees of articulation for comfort.

C Elevated Aesthetic

Organic shape provides a refined look with modern color palette featuring bold and neutral tones allowing choice in any learning space.

D Material Options

Available as all poly or with an upholstered seat. Specify shell and metal shroud as matching or contrasting. For the upholstered seat, choose from Pallas Textiles, KI ingrade, or COM textile options.

E Casters

50mm dual-surface casters are designed for use on hard and soft surfaces.
