Cogni task stools combine contoured comfort and ergonomic support with smooth mobility and an adjustable footring, helping users stay comfortable and focused at elevated seating heights.

Key Features

A **Simple Function**

Seat height adjusts pneumatically from 17.5–25" or 22.5–33" with single lever.

B **Ergonomic Comfort**

Adaptive seat design and comfort ledge accommodate various postures and positions with 11 degrees of articulation for comfort.

C **Elevated Aesthetic**

Organic shape provides a refined look with modern color palette featuring bold and neutral tones allowing choice in any learning space.

D **Material Options**

Available as all poly or with an upholstered seat. Specify shell and metal shroud as matching or contrasting. For the upholstered seat, choose from Pallas Textiles, KI ingrade, or COM textile options.

E **Casters**

50mm dual-surface casters are designed for use on hard and soft surfaces.
