Gladly™ Lounge Chair

Gladly is a contemporary lounge chair with welcoming comfort and universal appeal. With clean lines and gracefully rounded arms, Gladly features stylish stitching details for a crafted aesthetic.

Features

- Contemporary yet playful aesthetic
- Moderate scale fits in a variety of environments
- Generous foam cushioning maximizes comfort
- Contrasting fabrics to support designer vision
- Metal or wood legs available in a range of finishes
- Option to add power
- Field replaceable seats and back cushions
- Low arm height (25”) makes Gladly and C-Table a perfect pair

Construction

- Seat foam is 6.75” thick high-resilient polyurethane, comprised of 2.1 lb weight density, shaped to the contour of the frame
- Back foam is 4” thick high-resilient polyurethane, comprised of 1.88 lb weight density, shaped to the contour of the frame
- Interior frame and arms are constructed using 0.75” engineered Russian Birch plywood
- Beech wood legs available in 4 standard stain options
- Steel metal legs available in 3 standard paint finishes
- Multiple glide options (Plastic, Non-Skid, Felt) to support various floor types
- Seat and back cushions may be removed with basic tools onsite for cleaning or replacement.
- Backed by a limited lifetime warranty
- Chairs ship fully assembled

Product Highlights

Mix It Up

Available in a myriad of colorful fabrics, mix or match chairs with an optional contrasting seat. Gladly is available in metal or wood leg options in a variety of finish selections for a complete look.

Power Boost

Never run out of battery again. Stay connected anywhere with reliable power modules, equipped with USB type A + C ports and a 120V outlet. Available in a black or white finish.
