

Keyboard Trays and Center Drawers

Keyboard trays and center drawers are perfect to house a variety of computer accessories.

Optimal Typing Comfort

From brief emails to intensive data tasks, prioritizing comfort is essential. KI provides diverse keyboard options, catering to various typing preferences while enhancing comfort, user-friendliness, and versatility. Each configuration is meticulously crafted to promote ergonomic well-being, minimizing employee strain and tiredness.

Features

- Ergonomically designed to help reduce employee injury and fatigue
- Offered in a variety of keyboard combinations to fit everybody's type style with improved comfort, intuitive operation and adaptive use
- Adjust the keyboard to the right height and angle for good knee clearance
- Ergonomically shaped, low-profile ABS plastic keyboard tray features anti-skid grip strips
- Snap in foam-gel wrist rest is easy to clean and wear resistant
- 360° swivel allows user to move keyboard freely from side to side
- Built to last and easy to install

Construction

- Patented lift-and-lock spring-assisted counterbalancing system allows for precise height adjustment without use of knobs or levers
- Rectangular Worksurface: 20" glide tracks require 21" deep clearance under worksurface
- Corner Worksurface: 23.0" glide tracks require 24" deep clearance under worksurface
- Standard mouse tray adjusts easily from side to side for left or right hand usage; mouse tray does not tilt
- Tilt and swivel mouse tray is adjustable and detachable; attaches on the right or left
- Available in black only; tilt and swivel mouse tray available in graphite
- Soft touch knob provides tilt control +/-15 degrees
