MyPlace™ Occasional Tables

MyPlace tables offer flexible and convenient, in-line and complementary, surfaces for any setting. With several shapes and sizes, MyPlace tables facilitate functional and cohesive lounge, library, and third spaces.

Key Features

A **Adaptable Settings**
Sturdy, yet lightweight, the array of several styles including round, square, and in-line, facilitate easy reconfiguration for evolving spaces.

B **Base Styles**
Casters, concealed glides, poly, wood, and aluminum foot options fit any aesthetic or flooring requirement. Casters not available on in-line table models.

C **In-line Options**
In-line tables can be specified with or without an upholstered seat pad to provide dual-sided storage or seating and worksurface integration to any configuration. The 18" seat or surface height creates connection between MyPlace seating elements. Seat pads are available in a large array of fabrics.

D **Contrasting Laminate**
Each table style provides the option to contrast the edge and surface finishes. In-line tables allow for design flexibility by selecting individual finishes for the laminate top and top edge as well as laminate sides and side edges.
