

# MyPlace™ Shelving

MyPlace curved shelving is a unique solution for compact storage and dynamic division of space. Distinctive starter and adder curves with an adjustable shelf offer a modern, functional aesthetic for any application.

# Key Features

- A Compact Function**  
30-degree shelves have a capacity of 63 academic, 81 standard, or 144 children books.  
45-degree shelves have a capacity of 73 academic, 92 standard, or 154 children books.
- B Shift and Store**  
Each unit comes with one adjustable shelf to accommodate books or items of any size as well as one base shelf and a back panel. Each adjustable shelf comes with one anti-tip clip to prevent the shelf from tipping.
- C Adding On**  
Slim profile curves are modular in nature with a starter, adder design concept. Starter units come with two straight end (non-shared) panels. Adder units come with one straight adder (shared) panel.
- D Material Options**  
Select from maple, oak and thermally-fused laminate (TFL) shelving units available in several finish options to suit various design aesthetics and preferences.
- E Complementary Curves**  
Shelving pairs perfectly with MyPlace low-back curved units, adding functional storage to lounge and library spaces.
