Oath® Task Chair

With refined elegance and mesh-back comfort, Oath takes a simple, straight-forward approach to unifying your space, supporting any user and doing it affordably. From dedicated focus to scalable interaction, Oath is a flexible solution for private or shared spaces.

Sophisticated Simplistic Solution

Blending refined elegance with the comfort of a mesh backrest, Oath offers a straightforward yet sophisticated method to harmonize your environment, catering to every user while maintaining affordability. Whether for individual concentration or collaborative engagement, Oath presents a versatile solution suitable for both personal and communal settings.

Features

- Weight-activated mechanism adjusts back-tilt tension for each occupant
- Simple, intuitive levers change back position and seat height
- Black or Cool Grey mesh backrest with upholstered seat

Construction

- Upholstered dual-molded urethane foam seat with black under-shroud
- Reinforced black nylon backrest frame with mesh insert
- Optional height-adjustable arms (2-1/2" range) are molded in black reinforced plastic with molded black polyurethane arm caps
- Five-star base is 26" diameter in reinforced black nylon or polished aluminum
- Dual-wheel, hard-tread casters are designed for use on carpets and molded in reinforced plastic
