

Ruckus® Activity Tables

Ruckus activity tables enable diverse teaching and learning styles by delivering flexibility and mobility.

Key Features

A Worksurfaces

Available in dynamic shapes and sizes, choose from a variety of high-pressure laminate worksurface finishes, including markerboard.

B Durable Edges

73P and 74P bonded poly edge banding provides moisture and tamper resistance (available in numerous standard colors).

c Frame Options

Available in four table heights: fixed height (29"), floor height-adjustable (12–19"), sit height-adjustable (20–33"), or sit-stand height-adjustable (29–42"). Legs adjust in 1" increments using two set screws for added strength and rigidity. Specify frame from a wide range of colors, including chrome.

D Base Options

Available with glides, casters, or wheelbarrow base (casters and glides). Field-replaceable casters and glides maintain original surface height.
