

Ruckus Worktables

Foster student engagement and support a variety of learning space layout and group dynamics with Ruckus worktables.

Key Features

A Surface Materials

Three distinct worksurfaces support active learning: butcher block wood, laminate, or phenolic resin.

B Power Solution

Optional power modules can be specified above or undersurface to support classroom technology and provide charging for devices.

C Book Bag Hooks

Optional hooks can be specified to keep book bags and belongings off floor.

D Convenient Storage

Cubby and tote storage within the base keeps learning spaces neat. Doors can be specified with locks and are available in a variety of colors to match or contrast.

E Ease Relocation

Two-piece base design and toolless removeable worksurfaces allow units to fit through doorways.

F Durable Casters

Industrial-grade 3" casters meet the rigorous demand of hands-on learning spaces.
