Soltice® Guest Chair

With a traditional, residential flair, Soltice guest chairs are designed to provide a welcoming and supportive experience.

Key Features

A Inviting Design

Traditional with a residential flair, guest chairs provide a welcoming and supportive experience.

B Supportive Comfort

Scaled to maximize space and support ease of ingress and egress with 28.25” arm height and 19” seat height.

C Arm Options

Available as armless, open (wood) arm and closed (upholstered) arm. Optional arm caps can be specified with wood or black poly.

D Wallsaver Leg

Standard on all units with nylon glide at the bottom of each foot.

E Durability

Lifetime structural warranty and field replacement parts extend product lifespan.

F Cleanability

Push-thru design ensures debris does not get trapped between the seat and base. Elevated base design allows for easy cleaning beneath chair.

G Material Options

Choose from Pallas Textiles, KI ingrade, or COM upholstery options. Specify as matching or contrasting fabric with the option to add a moisture barrier. Various wood finish options are available for the wood open arms and base.
