

Soltice® Metal Multiple Seating

Soltice Metal multiple seating offers modern appeal. Its simple design allows for true versatility in specification and application. With unlimited design options and extreme flexibility in reconfiguration, Soltice Metal multiple seating creates refreshingly modern environments.

Key Features

A High-Traffic Elegance

Clean, refined metal frame design delivers exceptional durability without sacrificing aesthetics. Backed by KI's lifetime structural warranty and a 400 lb weight rating (600lb weight rating on bariatric models) for confidence in high use environments.

B Space Efficient

Available in one-, two-, and three-seat units, three seat spanner units, bariatric options, loveseats, and left- and right-facing add on units with a wall saver design. Scaled to maximize seating capacity while maintaining comfort and safety.

C Safe Transitions

Designed to support ease of ingress and egress with a 19" seat height. Arm caps feature an intentional overhang that is easy to grip and structurally designed to support push off force when standing.

D Inclusive Sizing Options

Multiple seat width options accommodate a wide range of body shapes and sizes, supporting comfort, universality, and inclusivity.

E Arm Options

Choose from open arms or closed arms with poly, wood, or solid surface arm caps.

F Material Options

Choose from Pallas Textiles, KI Ingrade, COM, or KOM upholstery options. Specify as matching or contrasting fabric. Optional moisture barrier enhances performance in healthcare environments.

G Clean-Out Design

Integrated clean out space supports efficient housekeeping while the elevated base options allow for easy cleaning under unit.

H Field Replaceable Components

Key components are field replaceable (see part diagrams), reducing downtime and supporting long term value.

Styles

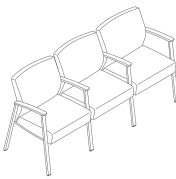

Open Arm One Seat
W24.5" D23.5" H33.81"
Seat: **W21" D17.5" H19"**
Arm Height: 27.5"
