

Soltice® Recliners

Prioritizing user safety and comfort, Soltice recliners provide a welcoming and supportive experience with a traditional, residential flair.

Key Features

A Inviting Design

Traditional with a residential flair, Soltice Recliner, Recliner 1.5 and Recliner II provide a welcoming and supportive experience with a variety of features and options.

B Reclining Comfort

Recliner has 3-position recline (70°/60°/30°).
Recliner I.5 and II have infinite back tilt recline and independent ottoman engagement
Trendelenburg recline is optional on Recliner I.

C Locking Casters

Recliner: individual manual-locking 3" rear casters, non-locking front casters
Recliner I.5: all individual manual-locking 3" casters
Recliner II: all simultaneous central-locking 5" casters with a retractable footrest on compression-locking casters

D Arm Caps

Optional arm caps can be specified with wood or black poly.

E Tablet Arms

Available with top and side articulating tablet arms in laminate or veneer. Side articulating tablet arms available on right side only for recliner I.5 and II.

F Soft-Touch Handles

Angled soft-touch handles standard on Recliner. Vertical soft-touch handles standard on Recliner 1.5 and II.

G Powered Components

Heat and massage available on recliner I.5 and II. USB power available when heat and massage are specified.

H Additional Attachments

Optional I.V. pole, catheter hook, and magazine pouch are available.

I Material Options

Choose from Pallas Textiles, KI ingrade, or COM upholstery options. Specify as matching or contrasting fabric with the option to add moisture barrier. Optional Seam Saver™ protection on recliner 1.5 and II. Various wood finish options are available for the wood arm caps.

J Durability

Lifetime structural warranty and field replacement parts extend product lifespan.

K Cleanability

Push-thru design ensures debris does not get trapped between the seat and base.
