

Soltice® Sleeper

With a traditional, residential flair, Soltice sleepers are designed to convert with ease from sitting comfortably to sleeping soundly while providing a welcoming and supportive experience.

Key Features

A Inviting Design

Available as a lounge chair or loveseat, sleepers are designed to provide a welcoming and supportive experience.

B Intuitive Conversion

Designed to easily convert sleeper back into chair or loveseat with a standard pull strap.

C Convenient Storage

Easily store bedding or personal belongings under the seat.

D Arm Options

Available as armless and closed (upholstered) arm. Optional arm caps can be specified with wood or black poly.

E Durability

Lifetime structural warranty and field replacement parts extend product lifespan.

F Cleanability

Push-thru design ensures debris does not get trapped between the seat and base.

G Material Options

Choose from Pallas Textiles, KI ingrade, or COM upholstery options. Specify as matching or contrasting fabric with the option to add a moisture barrier. Various wood finish options are available for the wood open arms and base.

H Wallsaver Base

Standard on all units. Chair has 360° swivel casters to easily move and re-position sleeper. Loveseat has wood feet.
