Product Highlights

Contrasting Details

Select from a wide range of non-contrasting or contrasting seat and base fabrics. Add further design details with the handcrafted appeal of double stitching available in 16 thread colors.

Design with See It Spec It

Base Options

Sonrisa bench and ottoman are lightweight and easy to move. Choose from a mobile base with casters or a stationary base that includes four black poly feet with adjustable glides.

Enhanced Sustainability

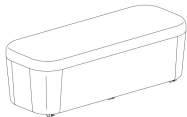

Standard field replacement parts for the seat, base, feet with adjustable glides, and caster kits are available, providing a sustainable and economical solution.

Meet the Family

Sonrisa brings small-scale comfort to any space and provides ultimate design flexibility. In addition to the bench and ottoman, the Sonrisa family includes comfortable lounge chairs and loveseats as well as three complementing occasional table styles.
