

## Sonrisa™ Lounge Seating

Sonrisa lounge chairs, loveseats, and ottomans feature a contoured design that enhances both the visual and physical realities of style and comfort.

# Key Features

- A Small-Scale Comfort**

Contoured design maximizes comfort while maintaining a minimal footprint.
- B Design Flexibility**

Choose from non-contrast or three contrasting fabric options for chairs and loveseats. Ottomans offer non-contrast or contrasting seat options. Select from 16 thread colors for the double needle stitching.
- C Base Options**

Select from base options including feet with glides, casters, swivel base, or feet with rollers. Rollers are lean-back activated and only available on lounge chairs and loveseats. 360-degree swivel base is available on lounge chairs only.
- D Supportive Arms**

Select armless models or models with arms for lounge chairs, loveseats, and sofas.
- E Environmentally Conscious**

Standard, field-replaceable parts offer a sustainable, cost-effective solution.
- F Enhanced Cleanability**

Convenient push-through design ensures dirt and debris do not get trapped between the seat and base.
