

## Sonrisa™ Lounge Seating

Sonrisa lounge chairs, loveseats, and ottomans feature a contoured design that enhances both the visual and physical realities of style and comfort.

# Key Features

## **A** Small-Scale Comfort

Contoured design maximizes comfort while maintaining a minimal footprint.

## **B** Arm Options

Select armless or with arm models for lounge chairs, loveseats, and sofas. Tablet arms are available on lounge chairs with a left- or right-facing swivel worksurface.

## **C** Base Options

Select from base options including feet with glides, casters, swivel base, or feet with rollers. Rollers are lean-back activated and only available on lounge chairs and loveseats. 360-degree swivel base is available on lounge chairs only.

## **D** Material Options

Specify as matching or contrasting with the outside back, seat, and base upholstery for chairs, loveseats, and sofas. Specify seat and base upholstery as matching or contrasting for ottomans and benches. Choose from Pallas Textiles, KI ingrade, or COM options for upholstery and 16 thread colors for the double needle stitching.

## **E** Environmentally Conscious

Standard, field-replaceable parts offer a sustainable, cost-effective solution.

## **F** Enhanced Cleanability

Convenient push-through design ensures dirt and debris do not get trapped between the seat and base.
