Strive® High-Density Cafe Stool

A versatile option for elevated surfaces, Strive high-density cafe stool provides comfort at a low cost. The elegant and lightweight design allows for easy lifting, moving, and stacking.

Key Features

A Flex Comfort

Slatted back and steel supports allow back to flex for increased comfort.

B Material Options

Available as all poly or with upholstered seat.

C Integral Handle

Integral handle eases lifting, moving, and stacking.

D Height Options

Available in 24" or 30" seat heights.

E Foot Ring

Foot ring is 1/2" diameter steel wire.

F Glides

Choose from four glides: plastic, steel, rubber, and felt. Glide caps are interchangeable and field-replaceable. Ganging glides also available in plastic and steel.

G Stackable

Poly shell can stack up to 20-high on dolly and 6-high on floor. Upholstered seat can stack up to 10-high on dolly and 5-high on floor. Transport dolly allows ease of movement and storage.
