

Tributaire™ Media Sharing

Where people and content connect. Tributaire media sharing tables bring together technology and design to create a seamless collaboration experience across in-person and hybrid environments.

Key Features

A Media-Supportive Design

Monitor stand is compatible with monitors up to 65". Media sharing tables are compatible with monitors up to 55".

B Power Integration

Wire management keeps monitors and technology powered while staying neat and tidy.

C Ganging Table

Specify monitor stand with ganging doors to attach a table for media sharing. Table can be toollessly removed for monitor stand mobility.

D Convenient Mobility

Integrated handle and optional casters allows monitor stand to move easily.

E Extra Deep Cabinet

Store AV equipment and secure with optional locks.

F Rear Panels

For units planned in open spaces, laminate, PET felt, markerboard, or fabric panels can be added.

G Table Leg Material Options

For attached tables, choose from aluminum or wood legs. Aluminum legs can be specified as chrome or powdercoat painted. Wood legs are available in four wood species with natural and stain finishes.

H Table Height Options

Attached tables are available in three heights: 29, 36, and 42".

I Table Edge Options

Choose from two edge profiles: 74P and knife.
