

Tributaire™ Sightline Tables

Tributaire sightline tables are designed to support more engaging, inclusive collaboration. Purposeful V and pear shapes improve sightlines, helping participants connect, contribute, and stay engaged, whether in the room or remote.

Key Features

- A

Collaborative Shapes
Encourage collaboration for in-person and remote meetings with V- and pear-shaped tables.
- B

Integrated Power
Optional power modules are available to keep devices charged during meetings. Included wire management keeps everything organized.

- C

Leg Material Options
Choose from aluminum or wood legs. Aluminum legs can be specified as chrome or powdercoat painted. Wood legs are available in four wood species with natural and stain finishes.
- D

Height Options
Pear tables available in three heights: 29, 36, and 42".
- E

Edge Options
Available with two edge profiles: 74P and knife.
