Zentori®Task Stool

A task stool that combines residential comfort with professional functionality. Zentori brings a soft, upholstered aesthetic to elevated workspaces while delivering intuitive support and modern design details.

Key Features

A Versatile Design

Brings a soft, residential feel to professional settings with a fully upholstered low-back model.

B Lumbar Support

Optional vertical lumbar provides 4" of adjustment and is easily adjusted while sitting in the chair.

C Material Options

Choose from Pallas Textiles, KI ingrade, or COM upholstery options. Frame available in white, black, and warm grey.

D Arms

Available with fixed arm only. Armless not available.

E Adjustable Foot Ring

Adjust height of 20" diameter foot ring to accommodate different users.

F Five-Star Base

The 26" diameter base is available in black, white, warm grey, or polished aluminum.

G Casters

Choose between 60mm black and white designer or traditional black dual-surface casters compatible on both hard and soft surfaces.
