Zoetry® Guest Seating

Designed with elegant detailing and a modern form, Zoetry guest seating offers refined aesthetics with high visual impact. Specify in a variety of diverse configurations to meet the needs of any space. Zoetry is an elegant collection with design continuity.

Key Features

A **Collection Styles**
Guest seating is available in a wide variety of standard models including single, loveseat, sofa, bariatric, tandem seating with separating arms and models featuring 3 styles of inline tables.

B **Thread Detail**
Zoetry offers attention to stitching details with contrasting thread available in 16 colors to complement any design vision.

C **Arm Specification**
Standard 2" arms are available fully upholstered or with wood or poly arm cap options.

D **Stylish Comfort**
Slim profile components provide a clean aesthetic. Three and a half-inch molded foam seat cushion, and molded backrest provide welcoming comfort.

E **Power**
Select up to two power modules per model. Seating power available in black or white. When specifying tandem seating with tables, power is located in the worksurface. Table modules are available in all black, all white, or white with silver faceplate.

F **Elegant Cohesion**
Fourteen-inch cast aluminum leg and faceted aluminum extrusion emphasizes the elegant design and provides a cohesive visual among the Zoetry collection. Select from polished aluminum or KI powdercoat finishes.

G **Leveling Glides**
Plastic or felt glide options allow for 0.875" of height adjustment to accommodate variances in floor type.
